

Grant for sprucing up shops and restaurants in Barcelona in 2024

barcelona.cat/subvencionscomerc

What's the aim?

To help **improve the external appearance of commercial establishments** in the city, and by extension, the urban landscape in Barcelona's neighbourhoods. The scheme is part of the Pla Endreça.

Who is it for?

Local non-profit retailers' associations which will carry out the project in Barcelona.

What costs are eligible for the grant?

The eligible costs are as follows:

- **Cleaning and/or paintwork** on the shutters of the establishment using anti-graffiti paint primer.
- **Maintenance service to keep shutters** clean for one year, starting from the day the shutter is painted.

How much of the cost will the grant cover?

- **€400 per shutter**, up to a maximum of **3 shutters** per establishment.
- This amount may **cover between 30% and 70% of the total cost** of the project.
- The applicant association's project must include a **minimum of 10 establishments**.

What are the requirements?

- Applicants must have a **ground floor and/or street level commercial establishment** within the urban area of the city of Barcelona.*
- Investment costs must be in keeping with **the goal** of this scheme.
- The applicant association's project must include a **minimum of 10 establishments**.

*Note: Municipal market stalls and all other collective commercial retail establishments, such as shopping centres, arcades and complexes, are not eligible.

What is the application deadline?

The application period is open **from 21 May to 17 June 2024**.

As this is a non-competitive scheme, grants will be awarded in order in which applications are received until the budget is used up.

What documents must be submitted?

- **Grant application form**, including:
 - Project description
 - Annex with photographs of each shutter before being painted.
- **Quote** from the third party providing the service. This must indicate:
 - The company's Tax ID No. (NIF), name and address.
 - Name of the establishment where services are to be carried out, number of shutters and the amount per establishment.
 - Quotes must be issued between 1 January 2024 and 31 December 2024.
- **Bank details**

Where are submissions made?

Online, using [Barcelona City Council's](#) e-office.
